RESPONSE

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

RECEIVED
MAY 01 2003
GROUP 1700

In response to the Official Action of April 10, 2003, Applicant elects with traverse the claims of Group I (i.e., method Claims 1 to 4, and 8 to 17).

It is respectfully pointed out that the subject matter of injection mould Claims 5 to 7 could be conveniently prosecuted in the same Application in spite of the different classification that is indicated. Accordingly, the Examiner is urged to use his discretion under 35 U.S.C. § 121 and withdraw the restriction requirement since the search and examination of all claims could be accomplished without serious burden. Such examination is urged to make possible increased efficiency for all concerned.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
